**Elevate Your Sales with Cutting-Edge
Aesthetic Equipment - Where Laser
Precision Meets Skin Perfection!**

The Artisan Poco

Made to be Mobile

Artisan Poco is our smallest unit yet, only weighing 17 pounds and comes with it's own traveling case to make mobile services easy!

Smaller = Better

Poco is our smallest unit, yet includes our most dynamic generator yet. With the smaller unit, you are still able to get powerful performance, exceptional precision, and the same results found in our larger models — all in a compact, easy-to-use design
